Best wishes
for the End-semester exams and summer holidays

April 24, 2007

*We wish you all very best in your exams
and
Greetings for the holiday season ahead.*

1. Please do not forget to 'sleep well' before each exam.
(Get up for the exam in time).
2. Drink plenty of juices/water. Ask for drinking-water at the exam-halls.
3. Also spare some time to write a letter about 'taking home your PC' to CSO thru warden.
4. Don't fill your railway concession form, unless you need one.
