With reference to the Note to Dean AR by the Head Department of Physics Department on the clarification availing of leave by Scholars:

- It is clarified that Scholars are eligible for 23 days leave (15 days vacation in a calendar year and 8 days casual leave). The vacation leave so not availed during the calendar year will be carried over to next year.
- For Casual leave, intervening Holidays will not be counted
- For vacation leave, intervening holidays will be counted if the scholar ^{dean} do not join after the suffixed period (i.e Saturday and Sundays)
- Women Scholars are eligible for maternity leave as per Gol norms subject to production of necessary medical certificate for a maximum period of 180 days with HTRA.
- There is no separate leave for medical ground, the leave so availed will be adjusted in the casual leave and vacation leave. However, withdrawal of two semester for a max. period of one year for any reason including medical ground is permitted.
