Student Remarks

very good

Nice Teaching

A very well conducted course

Positive: Course was well structured as in the handout given at the start.Feedback: Try to be more cool and informally enthusiastic(like Prof. Pattabiraman :) , classes would be more engaging. For example, humorous historical perspectives for 5 mins at the start and 5 mins at the end of each lecture would make you awesome.Also, understand that we have to come from different buildings to your class within a 5 min gap, so kindly dont lose your cool :).
