Student Remarks

Being very mechanical in the class was the drawback, all tutorials must be uploaded at one go at moodle along with class notes like they do in maths

the best teacher in insti i have had so far.

Effective

He is time conscious enough to put the clock to shame. His lingo is formal.

Very nice teacher, who teaches in an inclusive and coherent manner. His lectures are a lot of fun.

An extremely wonderful teacher, teaches enthusiastically and solves all doubts effectively and efficiently.

Best teacher of all we got.

The semester with sir was pretty good and I enjoyed studying physics

Everything was like, to the point. Couldn't have hoped for a better instructor.

The classroom teaching was really nice, but the tutorials were a conducted in a bit sloppy manner. Rest, it was all good.

Very nice teacher .

Instructor teaches with great enthusiasm which helped me a lot n found the course interesting
